

## AFFIRMATIVE ACTION PROGRAM

The attached Affirmative Action Program (AAP) is approved and will be enforced at all levels within SEDL and will be revised at least every twelve months. This AAP covers the period from January 1, 2010 through December 31, 2010 and indicates goals (if any) for that time period. A utilization and availability analysis for the previous period (January 1, 2009 through December 31, 2009) is used to determine these goals. Although the current AAP period begins January 1, 2010, the report cannot be prepared and the goals determined until all Labor Force Information for Affirmative Action Programs is available (i.e., generally March through April of the current year).

APPROVED: 

TITLE: President & CEO, SEDL

DATE: May 20, 2010

## ADMINISTRATIVE POLICY STATEMENT

SEDL is committed to equal opportunity for the employment of individuals regardless of race, color, creed, religion, national origin, age, sex, sexual orientation, marital status, status as a veteran, or disability. SEDL is committed to this policy by its status as a Federal Government contractor, but we are far more strongly bound to the policy by the fact that adherence to the principles involved is the only acceptable American way of life. SEDL is committed to affording equal employment opportunity in recruitment, selection, employment, compensation, promotion, demotion, training, transfers, work assignments, benefits, corrective action, and termination.

The successful achievement of a nondiscriminatory employment program requires maximum cooperation between management (i.e., the institution's budget authorities) and all other staff members. In fulfilling its part in this cooperative effort, management is obliged to lead the way by establishing and implementing affirmative procedures and practices in an effort to meet SEDL's objective, namely, equitable employment opportunity for all.

I have designated Sue Liberty, SEDL's Human Resources Generalist, to monitor the implementation of, and recommend revisions of, personnel procedures to guide SEDL's affirmative action program.

As Human Resources Generalist, she is charged with designing and implementing audit and reporting systems that will keep management informed on an annual basis of the status of the equal employment opportunity area.

#### 6. IDENTIFICATION OF FOCUS AREAS

- A. SEDL will focus on increasing the representation of minorities and, to the extent that funding permits new-hires and/or internal transfers or promotions, SEDL will strive to utilize more minorities during calendar year 2010.

- B. Due to the unpredictability and the instability of the institution's funding, it would be difficult, if not impossible, to anticipate future employment needs.
- C. In personnel actions involving transfer or promotion, SEDL is consistent in its application of affirmative action. If vacancies occur, every effort is made to fill the vacancies with qualified staff members from within the organization. Those staff members possessing the necessary qualifications are given consideration.
